

2010 Jenson Memorial Scholarship

President Bill Peele has appointed Bruce Niederhauser as the 2010 Chair of the Jenson Memorial Scholarship Committee.

We have a great opportunity to promote our profession and this scholarship. You can find applications for the Jenson Memorial Scholarship on the official NAICC/FEAE website. Some of your clients will have qualifying students. Guide their attention to this opportunity. Encourage your qualified summer help or your client's students to apply. *The due date is extended to September 15, 2010.*

Shortage of Ag Graduates – We can help!

The Purdue University news release of June 1, 2010 noted that 54,400 new jobs will be added in Ag related sectors *annually*. The expected number of Ag graduates will only total about 5,300 annually, short of the projected need, by 1,000! These sobering facts lend to the importance and the timeliness of our Foundation and confirm the tangible value of our efforts to encourage students to join our profession and enjoy a rewarding life long career.

2011 Auction Committee Named

President Bill Peele announces that James Todd will lead 2011 Auction Committee. Plans will soon be underway for the Auction and Raffle.

The January 19-22, 2011 Meeting will be held in Fort Worth, Texas.

A Big Thanks to you for supporting the FEAE!

Some of you supported us by becoming Friends of the Foundation, some by participating in the Annual Auction, and some by contributing to the Annual Raffle – again, Thank YOU.
