[Trivia](#)

From The President

by Daniel Fowler

Building on the momentum from a very successful 2024 Farm Tour in Wisconsin and in light of the newly released EPA ESA Insecticide Strategy, the National Alliance of Independent Crop Consultants (NAICC), and the Weed Science Society of America (WSSA), and the Foundation for Environmental Agriculture Education (FEAE) are hosting the 2025 VA-NC Farm Tour. The focus will be on how growers can meet Endangered Species Act (ESA) requirements.

Happenings on the Hill

by Keith Jones

Congress

With both chambers of Congress in August recess, this month's focus is on some notable Administration actions.

EPA Updates

On Monday, the 11th, the agency announced that it has approved labels that implement measures required by the National Marine Fisheries Service (NMFS) final biological opinion on methomyl.
