## CERTIFIED PROFESSIONAL CONTRACT RESEARCHER ELIGIBILITY REQUIREMENTS

Individuals meeting the standards of professional certification, established by the NAICC Certification Board, are qualified to apply for certification. Applicable standards are the following:

**Education:** B.S. or B.A. in an agricultural discipline. A person with a non-agricultural related bachelor's degree and/or ten (10) years of consulting experience, may petition the Certification Board for a qualification review.

**Experience:** An applicant must have a minimum of three (3) years' experience with a bachelor's master's degree or doctorate. Two or more years of farming, scouting, or other agricultural experience may substitute for no more than one year of consulting experience.

**License:** An applicant must hold a valid Category 10 private applicators state license or its research and demonstration certification equivalent.

**Continuing Education Units:** Thirty-six (36) CEUs are required each year and are to be reported at renewal time. Please see insert for instructions and qualifying activities.

**References:** Applicant must submit names of five sponsors as references. A short questionnaire will be mailed to each reference and three must respond favorably. All responses are confidential and will not be made available to the applicant.

**Pesticide Safety Training:** Applicant must document all pesticide safety training equivalent to the requirements set forth in the Worker Protection Standard. Please include copies of documentation certifying training courses completed if applicable.

**Code of Ethics:** Applicants must agree to adhere to the NAICC Code of Ethics.  
*Copies of the NAICC Code of Ethics are enclosed.*
