

# Precision Technologies in Agriculture: Data-Driven Decision Making

# What is the way?

Boots on the ground and  
boots on the ground?  
collecting data

# penetroLOG PLG 2040

| Digital soil compaction meter

- ✓ Diagnosis of the compacted layer
- ✓ GPS - Georeferenced measurements
- ✓ USB - Saves data to flash drive
- ✓ **Bluetooth** - Communication with the APP
- ✓ Measurements every centimeter up to 60 cm

# clorofiLOG CFL2060

| Digital chlorophyll content meter

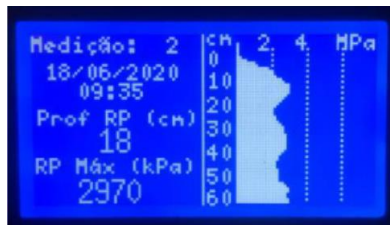

- ✓ The chlorophyll content is proportional to the nitrogen absorbed
- ✓ **Bluetooth** - communication with app
- ✓ Precise and non-destructive measurements

Your data where you want

- ✓ Equipment
- ✓ Web application
- ✓ App
