NAICC GLP Training for Research and Quality Assurance Professionals

Tuesday, January 21, 2020

8:00 am – 12:00 pm

(registration and continental breakfast at 7:30 am)

Basic GLP Training: Limited to 100 participants. This session is aimed at those with 0-2 years GLP experience. It gives a basic overview of the GLP regulations with emphasis on the responsibilities of QA, Study Directors and Principal Investigators as it relates to your role in a GLP environment. The session is designed to be interactive and will provide you the opportunity to hear how others interpret the regulations and how to best apply them to your job function.

Refresher GLP Training: Limited to 60 participants. This course will refresh and challenge your GLP knowledge and has something for everyone. You will be encouraged to think outside the box when interpreting the GLPs. Material will cover topics relevant to field, lab and sponsor GLP personnel. GLP experts will be present to moderate and answer questions.

Practical Field Workshop Application: Limited to 25 participants. This hands-on workshop will focus on application techniques, equipment, data documentation, and GLP compliance. This session is designed to provide practical information on overall trial conduct, GLP compliance issues, industry best practices, and efficiency in capturing raw data for field research personnel and QA professionals conducting/auditing GLP studies.

Practical Analytical Laboratory Workshop: Limited to 25 participants. This hands on workshop will focus on basic laboratory techniques, GLP compliance, phase reporting, and QAU requirements. This session is designed for Study Directors, Principal Investigators, beginner analytical personnel, and QA. You will expand your knowledge of the laboratory process and basic understanding of how residue data is generated.
