

2022 NAICC ANNUAL MEETING AND AG PRO EXPO

We're Back! Whether you come for the NAICC Annual Meeting and AG PRO EXPO and stay for the theme parks, space center and hidden gems or the other way around, it will be like a homecoming! NAICC's family will be back together again for fun, fellowship, networking, and learning!

The NAICC Annual Meeting and AG PRO EXPO, January 26-28, 2021 is at the Rosen Centre Hotel in Orlando, Florida and will be a great centerpiece to your travel plans. The Rosen Centre is located on International Boulevard less than 15 minutes from the Orlando International Airport and close to the area's best shopping, dining, and revered theme parks. The Annual Meeting pre meeting workshops will be held on Tuesday and Wednesday morning. Wednesday afternoon will be full of committee meetings and our first venture through the exhibit hall. Wednesday evening, we will welcome our new members and thank our sustaining members and meeting sponsors. Thursday morning the three concurrent education sessions for crop consultants, research consultants and quality assurance professionals will begin along with a joint plenary session before lunch. Thursday evening will be our Outgoing President's Reception to honor Matt Winslow for his exemplary service of 2 years while outbidding each other at the FEAE silent auction fundraiser of unique items. On Friday the concurrent sessions will continue, along with the business meeting and the Incoming President's luncheon to welcome Grant McMillan as our 2022 president. Our annual meeting will conclude with the always fun Friday Night Extravaganza of great food and music, spectacular conversation, and interactive games. Tours will be available Saturday before we say goodbye to NAICC family for another year.

\$1 MILLION DOLLAR GRANT INITIATIVE THROUGH THE PESTICIDE ENVIRONMENTAL STEWARDSHIP PROGRAM

By [US ENVIRONMENTAL PROTECTION AGENCY](#) May 25, 2021

The U.S. Environmental Protection Agency (EPA) is accepting applications for a \$1 MILLION DOLLAR GRANT INITIATIVE THROUGH THE PESTICIDE ENVIRONMENTAL STEWARDSHIP PROGRAM (PESP) that encourages smart, sensible, and sustainable pest control in agriculture. Through these grants, EPA will support projects that explore innovative practices, technologies, education, and non-regulatory solutions that adopt integrated pest management (IPM) strategies. EPA, ARMY ANNOUNCE INTENT TO REVISE DEFINITION OF WOTUS

WASHINGTON (6/09/2021) – Today, the U.S. Environmental Protection Agency (EPA) and Department of the Army (the agencies) are announcing their intent to revise the definition of “waters of the United States” (WOTUS) to better protect our nation’s vital water resources that support public health, environmental protection, agricultural activity, and economic growth. As described in an EPA declaration requesting remand of the 2020 Navigable Waters Protection Rule, a broad array of stakeholders—including states, Tribes, local governments, scientists, and non-governmental organizations—are seeing destructive impacts to critical water bodies under the 2020 rule.
