

SPONSORSHIP OPPORTUNITIES

NAICC is pleased to announce the formation of the [NAICC ACADEMY](#). This website is designed to be the home of future webinars, training and education sessions presented by NAICC throughout the year. The **NAICC ACADEMY** will allow our membership, as well as the employees of our industry partners to obtain year-round professional development specific to our industry. We are offering to our members and friends the opportunity to get in on the ground floor of this project by becoming a founding sponsor. Picture your company logo or new product line logo in multiple locations on the website!

Each level has multiple opportunities to showcase your company's name, products or services in front of over 700+ independent crop, researcher, and quality assurance consultants. This is a great way to make the most of your advertising dollars by joining us at the **NAICC ACADEMY**.
